Workspace commit

627ea43

Status

Validated

Scope

UX polish, accessibility, quality gates, evidence chain

Executive summary

The audit confirms that the recent polish pass improved clarity, hierarchy, responsiveness, and trust presentation while preserving existing behavior.

- reduced visual noise in the age gate and primary navigation
- improved spacing, type hierarchy, and CTA clarity
- strengthened mobile ergonomics and footer behavior
- aligned brand copy toward first-party operator voice
- removed lint warnings and validated code quality gates

Changes summarized

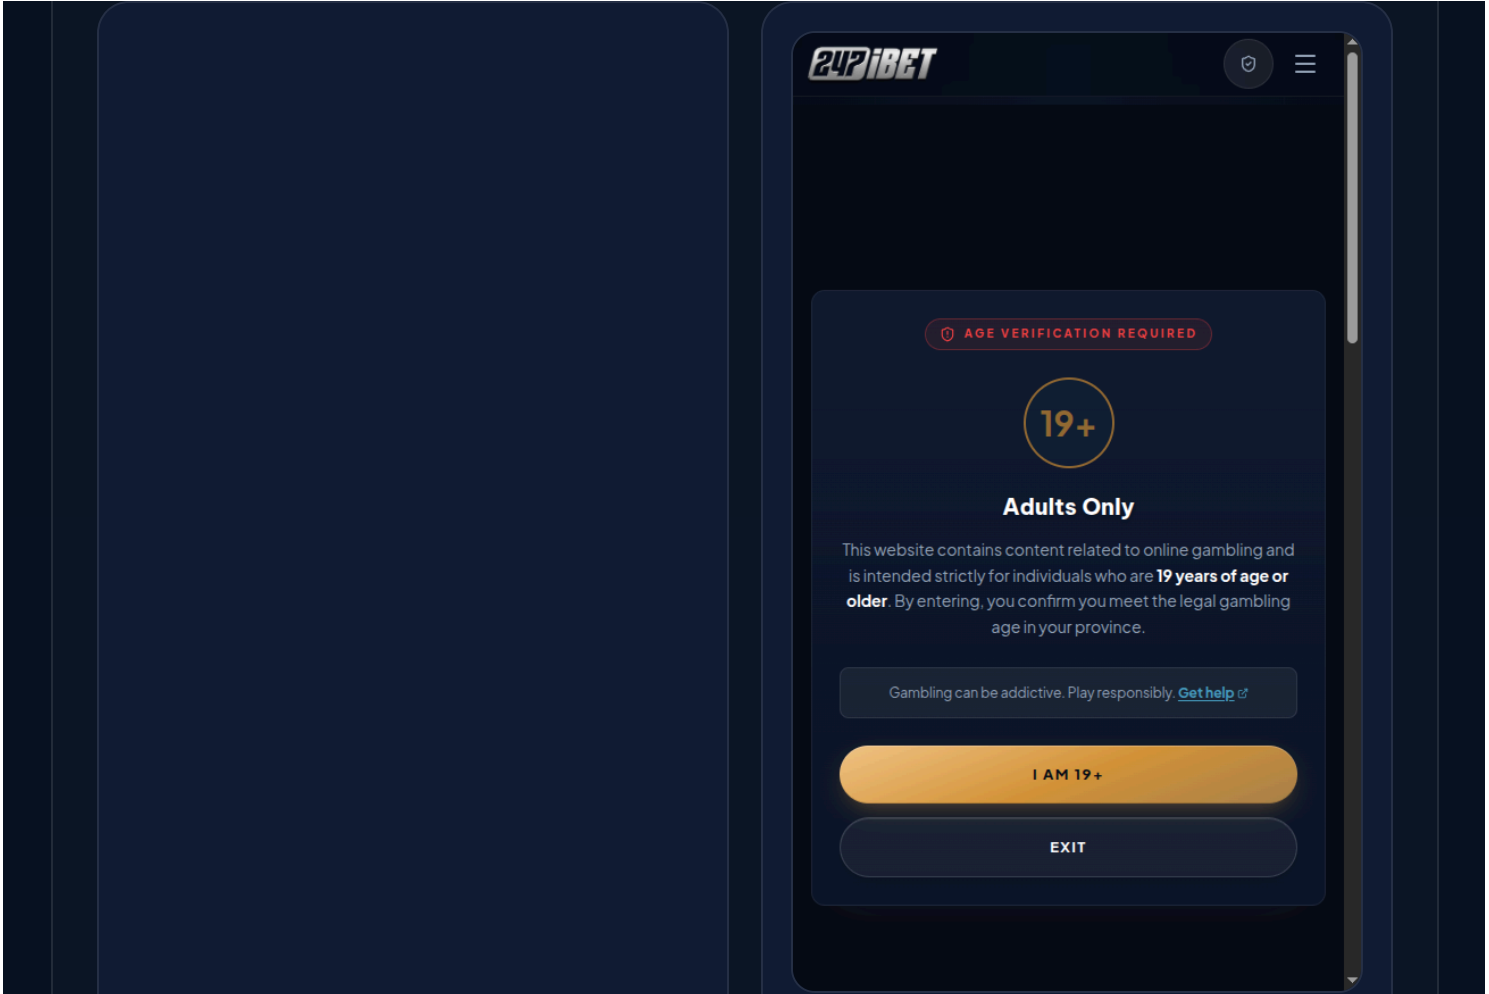

- `src/styles/base.css` — removed redundant body declarations and normalized heading weight

- `src/lib/components/SEOFooter.svelte` — tightened mobile safe-area spacing
- `src/routes/age-gate/+page.svelte` — improved spacing and readability
- `src/lib/components/ReadyToPlay.svelte` — removed aggressive uppercase/shimmer styling
- `src/lib/components/FAQ.svelte` — improved contrast and framing
- `src/lib/components/Navbar.svelte` — removed duplicate bonus navigation item
- `src/styles/design-system.css` — improved focus/target clarity for view-all links
- `src/routes/+page.svelte` — refined FAQ tone and image sizing
- `tests/ibet-brand.test.ts` — aligned expectations to current first-party brand voice
- lint cleanup across route files — removed stale `LAST_UPDATED` declarations

Validation status

- `logs/verification.log` — **pnpm check, lint, test, build passed**
- `logs/accessibility-robust.log` — **Playwright a11y e2e passed**
- Recorded browser audit: Lighthouse desktop 99 / 100 / 96 / 92
- Recorded browser audit: WCAG robust scan 7/7 pages passed, no Axe violations

TRUST & VERIFICATION

Is 247iBET safe for Canadian players?

EDITORIAL RATING: 4.6 / 5

We review each operator for licensing transparency, payment reliability, game-selection claims, customer support, bonus terms, and responsible-gaming controls. Before depositing, confirm that the operator is available in your province and that your account, payment method, and identity details match your legal information.

- ✔ 247iBET is an independent guide, not itself a licensed gaming operator
- ✔ Verify operator licensing with the operator and provincial regulator
- ✔ Interac timing depends on approval, KYC, bonus review, and bank processing
- ✔ Last reviewed: April 2026

247iBET rating methodology

Ratings are editorial estimates based on publicly available information and stated operator terms. They are not guarantees of licensing status, payout speed, bonus eligibility, or account approval.

4.7

Payments & payouts

Interac support, approval timing, verification friction, and payout caveats.

4.5

Casino selection

Slots, live dealer, table games, jackpots, and mobile-friendly play.

4.4

Sportsbook markets

Pre-match, live betting, parlays, and major Canadian sports coverage.

4.2

Trust & support
Homepage / age-gate view evidence

Interac withdrawals

Review before depositing

Confirm availability and timing after operator approval; KYC and bank delays may apply.

Casino games

500+ cited in review materials

Verify current catalogue, providers, RTP info, live dealer coverage, and mobile performance.

Sportsbook

Review markets first

Odds, limits, market depth, live betting rules, and parlay options.

Bonuses

Terms required

Wagering requirement, max bet, eligible games/markets, and expiry.

Support

Claimed availability varies

Live chat, email response time, escalation path, and account review help.

Interac deposits and withdrawals

Deposits are usually quick, while withdrawals depend on approval, verification, bonus terms, and bank processing.

COMPARE PAYOUTS

1

Deposit

Choose Interac and confirm the transfer through your bank.

Instant to 30 minutes

2

Verification

Complete identity checks if required before larger or first withdrawals.

Instant to 24 hours

3

Withdraw

Operator reviews account status, bonus activity, and

security signals.

Varies

4

Conclusion

Funds are sent after approval; first withdrawals or bank delays may take longer.

The package documents a small-scope, high-impact UX polish pass with validated quality gates and a clear evidence chain.

Usually 15–30 minutes

Why 247iBET Stands Out

247iBET audit package · internal delivery artifact

A clearer review surface for players comparing safety, payments, games, bonuses, and support before signup. We prioritize transparency and speed.

GET STARTED

Licensing transparency

Confirm the operator and provincial eligibility before depositing.

Payment clarity

Interac timing is framed around approval, KYC, bonus review, and bank processing.

Game catalogue

500+ slots, live dealer titles, jackpots, and table games.

Bonus terms

Check wagering, max bet, win caps, eligible markets, and expiry before opting in.
